Weather : **We had a bit of everything, very cold and windy with occasional showers of rain, sleet and snow.**

A big thank you to all of the Pentref Bowmen members who participated in the various work parties prior to and during this Championships. We had a record turn out at one of these work parties and this made things a lot easier for everyone. Thank you all very much.

Also, thank you to the girls who kept us fed and watered all day. The weather conditions meant that the tea and hot food were greatly appreciated by all who attended.

Thanks also to Phil Bowen for putting on a challenging course while at the same time not making it too difficult to get around. Some quite interesting shots were included which were great talking points.

Thanks also to the Archers because at the end of the day if you didn't participate there would be no Championships to put on.
